No. EDN-ISSE (18)-01/2019-20-VOC-DIETS - 27/7
Office of the State Project Director, ISSE
Himachal Pradesh, Shimla-1

11/8/23

Dated Shimla the Aug, 2023

To

Director
Technical Education,
Vocational and Industrial Training,
Himachal Pradesh, Sundernagar

Subject: Regarding Conduction of Guest Lectures and OJT/Internship for students of Vocational Schools under NSQF Project in Himachal Pradesh.

Sir,

This is in reference to the subject cited above wherein, it is informed that Vocational Education is being implemented in 1154 Govt. Senior Secondary Schools under the National Skill Qualification Framework (NSQF) Programme in Himachal Pradesh.

Students of class 9 to 12 are being offered Vocational Subject as per the availability of the trade in a particular school. Presently, 16 different Vocational Trades/Sectors namely Healthcare, Agriculture, Retail, Tourism & Hospitality, Automobile, IT/ITeS, Telecom, BFSI, Media & Entertainment, Physical Education, Private Security, Apparels, Made ups & Home furnishing, Beauty & Wellness, Electronics & Hardware, Plumber and Food Industry have been implemented in the State. There are around 92000 students from class 9 to 12 undergoing Vocational Education in these schools. The detail of Job Roles along with their QPs presently operational is at Annexure-'I'.

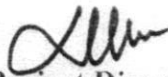

These students have to undergo On-Job-Training (OJT)/Internship and Guest Lectures in his/her job role in an Academic Year. In order to facilitate the Guest Lectures and OJT/Internship, principal of the school is responsible to orient students and their parents regarding its importance. The school heads are responsible to search (map) and onboard organizations for the conduction of OJT/Internship. Owing to limited exposure to the Industries in the State, **the Institutions under your control such as ITIs/Polytechnics/Engineering Colleges etc. can be of great help to engage their faculties (of various trades) for conduction of Guest Lectures and the OJT/Internship, in the trades available in those Institutions.** A sum of Rs. 500/- per Guest Lecture is paid to the Resource Person and these Lectures can be conducted in Offline/Online mode. Whereas, for OJT/Internship, the funds are incurred on travel of students (to and fro), meals during the day and for night stay charges (in case of residential training).

Therefore, you are requested to facilitate the Guest Lectures preferably through the facult(ies) of the Institutions, in the proximity of Vocational School(s) and also conduct OJT/Internship for the students of class 9 to 12 studying in the Vocational Schools. In this regard, this office has conveyed to the School Heads regarding establishing coordination with the Heads of ITIs/Polytechnics/Engineering Colleges, in their vicinity for the purpose of onboarding them for facilitating Guest Lectures and OJT/Internship.

It is therefore, requested that in order to fulfill requirement of Hands on Learning and Internship by the Vocational Students studying in the Government Schools in the State, your kind intervention and the issuance of necessary directions to the Heads of Institutions under your control, will be of great help, please.

Annexure as above

Yours faithfully,

State Project Director (ISSE)
Himachal Pradesh, Shimla-1
