**Sanction Order- Regarding YOUTH and ECO CLUBS Elementary section**

Respected Sir/Madam

With reference to the sanction order received from office of State Project Director(ISSE) Shimla Himachal Pradesh vide letter No.HPSES-SPO-ISSE-YOUTH and ECO CLUBS-2019 dated May 2023 on the subject cited above. It is informed that funds for YOUTH and ECO CLUBS under Samagra Shiksha have been granted on account of various activities for the year 2023-2024.

Therefore, this office has released an amount of Rs.38,15,000/- @Rs 5000/- for 499 primary schools and @Rs.15000/- for 88 upper primary schools under Elementary section to sensitize students and school community by conducting different activities under YOUTH and ECO CLUBS as mentioned below:-

1. Activities related to plantation, cleaning surroundings, taking out rallies and celebration of important days related to environment.
2. To beautify school campus with flowering pots and other plants.
3. The activities like drama, debate, reading, writing, painting, music and sports have to be organized to explore the talents of the students.
4. Interactions of students with dignitaries from different walks of life have to be organized.
5. Organizing talks on environmental issues.
6. Creation of a local medicinal plant corner with name plates and uses.
7. Sensitization of students for minimizing plastic use and crackers and fireworks during celebrations.
8. Sensitization of students for waste management- segregation of bio-degradable and non-biodegradable waste. A waste management unit can be constructed for this purpose.
9. Students must be sensitized about **3Rs(Reduce,Reuse,Recycle)** of non-biodegradable waste management..
10. The knowledge about the names and uses of herbs, trees, and shrubs Under " **Know your Native Plants**" is to be provided to the students.
11. Sensitizing students for adopting a tree or a plant.

**Set your priorities out of above said guidelines and do as expected.**

**Distribution of YOUTH and ECO CLUBS grant under Elementary section:-**
